FALLTACULAR
THE ULTIMATE
Mountain Experience

HEY Family

Welcome to FALLTACULAR 2023! The Falltacular Team and I are so EXCITED to host the LARGEST FALLTACULAR Retreat in history. We have guests coming from 56 Metropolitan Cites from across the country. Make sure you take time to introduce yourself and get to know some AMAZING people. We have some exciting events that I think you will enjoy.

What started out as a small birthday gathering for me over 20 years ago has grown into one of the most anticipated events of the season! Each year people from all over the U.S. and even other parts of the world make their way to the Great Smoky Mountains for an experience like

We've been working since last year to create a weekend filled with opportunities to enjoy all that the area has to offer. You'll be able to go shopping, horseback riding, zip-lining, ATV riding, mountain coaster, cabin arties, live entertainment, nightly parties, Smoky Mountain National park or simply relax and enjoy quiet time in your cabin! It is my heart's desire that you to have an experience that you won't soon forget! This whole weekend was planned with YOU in mind! Now that you're here, get comfortable, meet some new people and have a great time!

MUCH LOVE,
Shawn Joyner
